

Blessing one person at a time!

What is it?

Create-A-Blessing is an outreach ministry. It is all about being a blessing to others through paper crafting and handmade greeting cards. Each month we gather together to make greeting cards to bless others with. Currently, the Phoenix Children's Hospital is our primary outreach; however, as this ministry expands we will be reaching out to other organizations in our community.

When do we meet?

We meet the first Saturday of each month from 12pm – 2pm at Crossroads Books and Coffee, 9069 W Olive Ave, Peoria, Arizona 85345.

How much does it cost?

It is FREE. All supplies are provided to make the cards.
